

Power Lock Ultimate Protection

- Polymer Sealing Blend -

Product Description

Product Category: Protection
 Category: Standard
 Cut: -
 Gloss: -
 Polishing Tools: Wax Foam Pad
 Microfiber Cloth

Consumer information

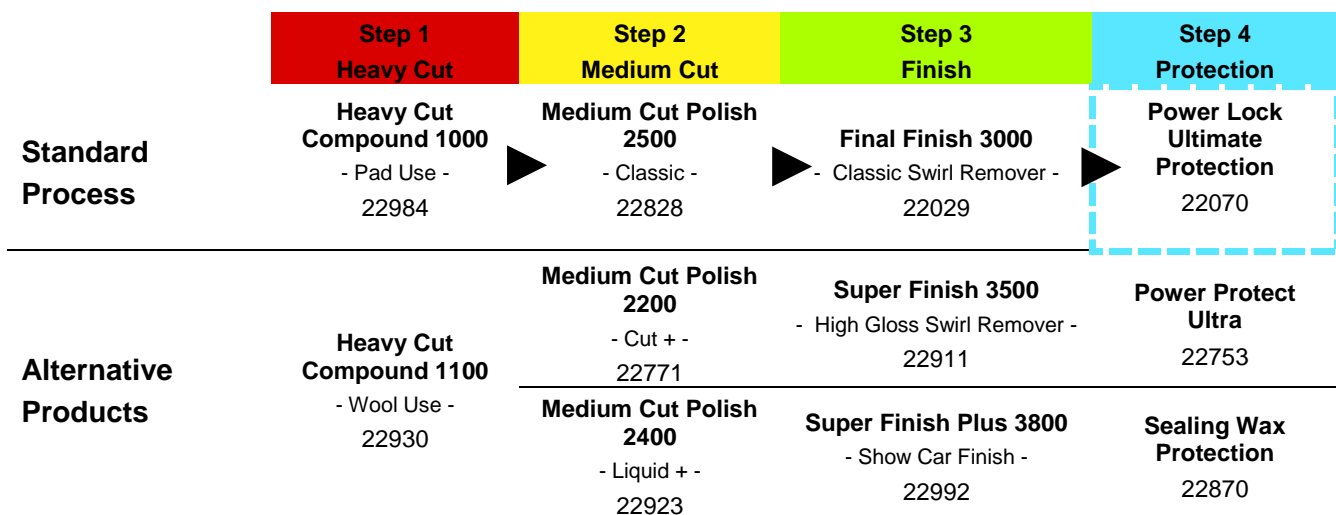

- Long-term sealant for lasting coating preservation and protection Suitable for rotative and eccentric or manual application
- Coating surfaces should be free of residues such as grease or wax. For the best results, clean the surfaces first with Menzerna Control Cleaner
- After application, allow the product to set and dry completely and then clean with a fresh microfibre cloth

Menzerna Power Lock Ultimate Protection is the long-lasting polymer coating sealant for all automotive clear coats. PLUP effectively seals the coating surface for long-lasting preservation. Protects against damaging environmental influences while maintaining a brilliant deep gloss.

Benefits, special features

- Polymer blend
- Long-lasting, maximum protection and ultimate beading effect, resistant against environmental influences
- Protects the vehicle's value
